

15 | CT

## CT 200h

The most fuel-efficient gas-powered luxury vehicle,<sup>1</sup> with 42-mpg EPA-estimated combined rating,<sup>\*2</sup> five-door versatility, Electronically controlled Continuously Variable Transmission, driver-selected driving modes, double-wishbone rear suspension and Yamaha® lateral performance dampers.

## CT F SPORT

Exclusive F SPORT-tuned suspension, LFA-inspired steering wheel with perforated leather trim and F SPORT badge, aggressive F SPORT styling including a black roof, rear spoiler with aerodynamic cutouts and an interior trimmed in Black NuLuxe or available Black leather with white perforations.

| CARVE YOUR OWN PATH.

INTRODUCING  
THE 2015 LEXUS CT

## DYNAMIC HANDLING

Get more from your drive. A highly responsive suspension, extensive body welding and lateral performance dampers combine to deliver an exhilarating ride. Dial in the Sport setting with Drive Mode Select for peak responsiveness. Take it to the next level with the CT F SPORT, boasting an exclusive sport-tuned suspension. And both models can be equipped with a variety of track-proven F SPORT Accessories.<sup>3</sup>

AN EPA-ESTIMATED  
42-MPG COMBINED RATING\*2  
FOR MILE AFTER MILE  
OF POSSIBILITIES.

Tailgate parties. Road trips. Concerts in the park. Get around your city like never before when you access subscription-free traffic and weather services<sup>4</sup> through the available Navigation System<sup>5</sup> or the available Display Audio System. And with the best MPG rating of any luxury car<sup>1</sup> (gas- or diesel-powered) and access to available in-vehicle apps like Pandora,<sup>6</sup> Yelp,<sup>6</sup> iHeartRadio and OpenTable,<sup>6</sup> your only limit is your imagination.

## F SPORT STYLING

Performance is only one way the CT F SPORT takes you further. Its aggressive aesthetics start with the F SPORT 17-inch split-five-spoke alloy wheels<sup>7</sup> with Graphite two-tone finish, continue up the exclusive mesh grille and sculpted front fascia, and wrap around to the unique rear spoiler. And proving it can turn heads from any direction, it features a black roof that epitomizes standout style.

# EYES ON THE ROAD. TECHNOLOGY AT YOUR FINGERTIPS.

## DRIVER SUPPORT

The CT is designed to help you arrive safely. Use the available Dynamic Radar Cruise Control<sup>8</sup> to help maintain a preset distance between the CT and the vehicle traveling ahead. If the vehicle ahead slows, the CT slows automatically. And to help you park with confidence, the available backup camera<sup>9</sup> features distinct grid lines that shift with the CT's approximate path, even when turning the steering wheel.

## DRIVE MODE SELECT

Drive Mode Select lets you choose your level of responsiveness or efficiency. Choose EV mode<sup>10</sup> at low speeds and short distances to operate on battery alone and eliminate emissions. ECO mode moderates throttle response and hybrid system power for increased fuel efficiency. Feeling a little more daring? Choose Sport mode for a thrilling throttle response and maximized steering feel.

## SOUND-DAMPENING MATERIALS

To help you hear less undesirable noise and more of what you do want to hear—like the dynamic audio system—optimized sound-dampening materials included in the CT help reduce engine and road noise. When combined with optimally placed carpeting and insulation, the result is a ride that's not only exhilarating, but also quiet.

## F SPORT ACCESSORIES

Take your CT to the next level. Proven on the track, the available F SPORT Accessories<sup>3</sup> are designed to give you a performance edge. The sway bar kit<sup>3</sup> helps provide added control during cornering for a thrilling drive. Polish that off with the lightweight 17-inch trident alloy wheels<sup>3,7</sup> which reduce unsprung weight for enhanced handling and overall ride quality.

## LEXUS ENFORM APP SUITE

The subscription-free Lexus Enform App Suite<sup>11</sup> uses your compatible smartphone to give you in-vehicle access to some of your favorite mobile applications. You can order movie tickets from the console, personalize your Pandora<sup>®6</sup> playlist and even make dinner reservations. *Learn more at [lexus.com/enform](http://lexus.com/enform).*

## ADVANCED CONNECTIVITY

The innovative Siri<sup>®</sup> Eyes Free<sup>12</sup> connects with your compatible iPhone<sup>®13</sup>, enabling you to access e-mail, send text messages and more. In addition, to help you make the most of your travel, an industry-first subscription-free traffic and weather service<sup>4</sup> offers real-time updates of changing conditions via HD Radio.<sup>TM4</sup> *Learn more at [lexus.com/enform](http://lexus.com/enform).*

## AUDIO SYSTEM

An available 10-speaker audio system makes your journey even more enjoyable. Made from sustainably harvested bamboo materials, this audio system doesn't just offer you a clearer conscience: It offers clearer sound. With a digital Class-D amplifier, you'll experience a more efficient and exceptional sound—no matter what seat you're in.

## PRE-COLLISION SYSTEM

Go further with greater peace of mind. To help prepare for and, if possible, avoid potential front collisions, an available Pre-Collision System<sup>14</sup> is designed to watch the road ahead for obstacles and warn you of their presence with audible alerts and visible indications. This advanced technology feature can even preload the brakes to help optimize braking power the moment the brake pedal is depressed.

Comfort to spare. With supple NuLuxe or available leather-trimmed seats, plus dual-zone climate control, the CT offers an invigorating experience for driver and passengers alike. The driver-centric cockpit delivers an unparalleled connection to the road, with low-set bolstered sport seats, a wide-grip steering wheel and a low hood for optimum visibility. And a 60/40-split rear seat brings tremendous versatility for transporting your belongings.<sup>15</sup>

**A.** Available Flaxen leather interior trim **B.** Leather-trimmed CT F SPORT steering wheel **C.** CT F SPORT aluminum pedals **D.** Available F SPORT 17-in trident accessory alloy wheels.<sup>3,7</sup> For a complete list of Genuine Lexus Accessories, visit [lexus.com/CT/accessories](http://lexus.com/CT/accessories) **E.** Available Remote Touch<sup>16</sup> controller **F.** Black NuLuxe interior trim

**G.** 10-way power-adjustable driver's seat **H.** Keyless start button **I.** CT F SPORT black roof and rear spoiler **J.** Electroluminescent instrumentation **K.** Retractable cargo-area<sup>15</sup> cover and available accessory cargo net.<sup>15</sup> For a complete list of Genuine Lexus Accessories, visit [lexus.com/CT/accessories](http://lexus.com/CT/accessories) **L.** Available Bamboo accessory dash panel

## FORWARD THINKING

Efficient today. And beneficial tomorrow. An EPA-estimated 42-miles-per-gallon combined rating<sup>\*\*2</sup> is just the beginning. Crafted to be 90% recyclable<sup>17</sup> and integrating plant-based materials in the construction of the floor mats,<sup>18</sup> audio system's speakers and more, the CT lets you enjoy the thrill of driving while remaining sensitive to the environment.

## KEY STANDARD FEATURES

SmartAccess<sup>19,20</sup> with push-button Start/Stop and touch sensors on exterior front-door handles // Power moonroof // Dual-zone automatic climate control with interior air filter // Tilt-and-telescopic steering column // Power windows with one-touch open/close // Lexus six-speaker sound system with in-dash CD player // USB and Bluetooth<sup>®</sup> audio connectivity<sup>21,22</sup> // Steering-wheel-mounted audio, phone and display controls // 17-in split-five-spoke alloy wheels<sup>7</sup> // NuLuxe interior trim // Vehicle Stability Control (VSC)<sup>23</sup> // Retractable cargo-area<sup>15</sup> cover // Vehicle theft-deterrent and engine immobilizer system<sup>20</sup> // Lexus Enform Safety Connect.<sup>24</sup> Subscription required. One-year trial subscription included

## INDIVIDUAL OPTIONS

Electrochromic (auto-dimming) inside mirror with compass and backup camera<sup>9</sup> // LED headlamps with washers, dynamic auto-leveling and LED foglamps // Intuitive Parking Assist<sup>25</sup> // Pre-Collision System<sup>14</sup> with Dynamic Radar Cruise Control<sup>8</sup>

## PACKAGES

## SERVICES AS INNOVATIVE AS THE CT ITSELF.

**THE LEXUS DELIVERY AND TECHNOLOGY SPECIALISTS.** To assist you in getting the most out of your CT, the Lexus Delivery Specialist will conduct a personalized delivery focused on every feature, setting and function you desire. To answer questions that arise after delivery, the Lexus Technology Specialist can offer expert guidance in person or without you ever leaving the driveway, via camera-enabled iPad®<sup>13</sup> apps like FaceTime®<sup>27</sup>. Learn more about our Lexus Delivery and Technology Specialist services at [lexus.com/specialists](http://lexus.com/specialists).

**WARRANTY** Four-year/50,000-mile Lexus Limited Warranty. Eight-year/100,000-mile Hybrid System Warranty. Six-year/unlimited-mileage Corrosion Perforation Warranty. All warranties with zero deductible. See the *CT Warranty and Services Guide* at your Lexus dealer for details. **DISCLOSURES** **1.** 2015 EPA-rated MPG, luxury nameplates, gasoline- or diesel-powered. **2.** 2015 EPA 43/40/42 city/hwy/combined MPG ratings. Actual mileage will vary. **3.** Accessories are warranted for 12 months from the date of installation or for the balance of the new-car or Certified Pre-Owned (CPO) warranty in force at the date of installation, whichever is greater, when installed by an authorized Lexus dealer. F SPORT Accessories installed by anyone other than an authorized Lexus dealer are warranted for 12 months from the date of purchase only, and the warranty coverage is limited to the replacement value of the F SPORT Accessories. These warranties do not cover maintenance services such as replacement of brake pads/linings and clutch linings or noise, vibration, cosmetic conditions and other deterioration caused by normal wear and tear. Part failure caused by improper installation by anyone other than an authorized Lexus dealer may void the F SPORT Accessories warranty, the new-vehicle warranty or both. F SPORT is a trademark of Toyota Motor Corporation. Products available through participating Lexus dealers. **4.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. HD Radio™ Technology manufactured under license from iBiquity Digital Corporation U.S. and Foreign Patents. HD Radio™ and the HD, HD Radio, and "Arc" logos are proprietary trademarks of iBiquity Digital Corp. **5.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Availability & accuracy of the information provided by the Navigation System is dependent upon many factors. Use common sense when relying on information provided. Services and programming subject to change. Services not available in every city or roadway. Updates may be available at an additional cost from your dealer. See *Navigation System Owner's Manual* for details. **6.** PANDORA®, the PANDORA® logo, and the Pandora trade dress are trademarks or registered trademarks of Pandora Media, Inc., used with permission. **7.** 17-in performance tires are expected to experience greater tire wear than conventional tires. Tire life may be substantially less than 20,000 miles, depending upon driving conditions. **8.** Dynamic Radar Cruise Control is designed to assist the driver and is not a substitute for safe and attentive driving practices. See *Owner's Manual* for details. **9.** The backup camera does not provide a comprehensive view of the rear area of the vehicle. You should also look around outside your vehicle and use your mirrors to confirm rearward clearance. Cold weather may limit effectiveness and view may become cloudy. **10.** CAUTION! When driving a hybrid vehicle, pay special attention to the area around the vehicle. Because there is little vehicle noise in electric-only mode, pedestrians, people riding bicycles or other people and vehicles in the area may not be aware of the vehicle starting off or approaching them, so take extra care while driving. EV mode works under certain conditions at low speeds for up to a mile. See *Owner's Manual*. **11.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions at all times. Apps/services vary by phone/carrier; functionality depends on many factors. Select apps use large amounts of data; you are responsible for charges. Apps & services subject to change. See [lexus.com/enform](http://lexus.com/enform) for details. **12.** Always drive safely, obey traffic laws & focus on the road while driving. Siri® is available in Beta only on iPhone® 4S, iPhone® 5, iPad® with Retina® display, iPad® mini, & iPod® touch, 5th gen. & requires Internet access. Siri® is not available in all languages or all areas & features vary by area. Data charges may apply. See [Apple.com](http://Apple.com) & phone carrier for details. **13.** iPhone® and iPad® are registered trademarks of Apple Inc. All rights reserved. **14.** The Pre-Collision System is designed to help reduce the crash speed and damage in certain frontal collisions only. It is not a collision-avoidance system and is not a substitute for safe and attentive driving. System effectiveness depends on many factors, such as speed, driver input and road conditions. See *Owner's Manual* for further information. **15.** Cargo and load capacity limited by weight and distribution. **16.** Be sure to obey traffic regulations and maintain awareness of road and traffic conditions. **17.** Up to 90% recyclable based on ISO 22628 standards. **18.** To avoid potential interference with pedal operation, do not install a floor mat on top of an existing floor mat, and each mat must be secured with its fasteners. This floor mat was designed specifically for use in this model and model year vehicle and SHOULD NOT be used in any other vehicle. **19.** The SmartAccess system may interfere with some pacemakers or cardiac defibrillators. If you have one of these medical devices, please talk to your doctor to see if you should deactivate this system. **20.** The engine immobilizer is a state-of-the-art anti-theft system. When you insert your key into the ignition switch or bring a SmartAccess fob into the vehicle, the key transmits an electronic code to the vehicle. The engine will only start if the code in the transponder chip inside the key/fob matches the code in the vehicle's immobilizer. Because the transponder chip is embedded in the key/fob, it can be costly to replace. If you lose a key or fob, your Lexus dealer can help. Alternatively, you can find a qualified independent locksmith to perform high-security key services by consulting your local *Yellow Pages* or by contacting [www.aloa.org](http://www.aloa.org). **21.** The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. and any use of such marks by Lexus is under license. A compatible Bluetooth-enabled phone must first be paired. Phone performance depends on software, coverage & carrier. **22.** Bluetooth® audio device must be enabled with A2DP and AVRCP. **23.** Vehicle Stability Control (VSC) is an electronic system designed to help the driver maintain vehicle control under adverse conditions. It is not a substitute for safe driving practices. Factors including speed, road conditions and driver steering input can all affect whether VSC will be effective in preventing a loss of control. See *Owner's Manual* for further details. **24.** Contact with the response center may not be available in all areas. Service Agreements required. A variety of subscription terms available; charges will vary. See [lexus.com](http://lexus.com) for details. **25.** Do not rely exclusively on the Intuitive Parking Assist system. Always look over your shoulder and use your mirrors to confirm clearance. System effectiveness depends on many factors. See *Owner's Manual* for details. **26.** Performance figures are for comparison only and were obtained with prototype vehicles by professional drivers using special safety equipment and procedures. Do not attempt. **27.** FaceTime® is a registered trademark of Apple Inc. All rights reserved.

Lexus strives to build vehicles to match customer interest, and thus they typically are built with popular options and option packages. Not all options/packages are available separately, and some may not be available in all regions of the country. See [lexus.com](http://lexus.com) for information about options/packages commonly available in your area. If you would prefer a vehicle without any or with different options, contact your dealer to check for current availability or the possibility of placing a special order. Specifications, features, equipment, technical data, performance figures, options, and color and trim are based upon information available at time of publishing, are subject to change without notice, and are for mainland U.S.A. vehicles only. Some vehicles shown with available equipment. See your Lexus dealer for details. Lexus reminds you to wear seatbelts, secure children in rear seat, obey all traffic laws and drive responsibly. For more information, call 800-USA-LEXUS (872-5398) or visit [lexus.com](http://lexus.com). To learn more about your financing options, contact your Lexus dealer or call Lexus Financial Services at 800-874-7050.
