Genuine Lexus Door Edge Guards are now available for the 2012MY CT & ES.
 Add them as a PPO - or order from your local PDC and install at your Dealership.

Features

- Body color-matched to the vehicle's exterior factory paint
- Engineered for a precise fit to the vehicle's door edge contours
- Constructed from ultra strong, roll-formed 400 series stainless steel
- Encapsulated in a Thermoplastic Compound (TPC) and then painted to match to help prevent any metal-to-metal contact
- Tested for temperature, weather and impact to resist cracking, fading and peeling
- Constructed to meet Lexus' rigorous engineering standards
- Quick and easy installation
- Compression fit with no need for adhesives or mechanical fasteners

Vehicle Application

-  RX / RXh
-  IS Sedan
-  LS / LSh
-  GX
-  CT200h
-  ES350

See the chart on page 2 to find specific details for each application.
