

■ INTERIOR

1. Major Difference

The following interior parts have been changed.

- A metallic paint finish ornament has been added on the glove box door.
- The front ashtray has been changed to a small storage compartment. In addition, front and rear ashtrays are available as a set.
- The upholstery of the console door has been changed to synthetic material.
- The following paint has been applied to the console upper panel and power window switch bases:
 - Black Metallic Paint (Standard Models)
 - Ash Blue Metallic Paint (F-SPORT Package)
- The F mark on the steering wheel has been changed to an F-SPORT mark.
