### INFORMATION ACCURACY

Information presented on this website is summarized and standardized from repair orders completed at the time of service and submitted by Lexus dealers. When reviewing a vehicle's service history, please note that all information is provided by the Lexus Dealer that conducted the service, and that dealer is solely responsible for the accuracy, completeness or authenticity of any information contained in this site. Lexus provides this site and all information and materials contained herein ?as is? without warranty of any kind. Any questions or concerns regarding this information should be addressed to the applicable Lexus dealer.

### L/CERTIFIED OWNER INFORMATION

Dealer-reported service history records are linked to a vehicle's Vehicle Identification Number (VIN). All owner-reported service history records will be made available to the person who input the information on the site, but will not be shared with future owners of the vehicle.

### OWNER-REPORTED INFORMATION AND PRIVACY TERMS

Lexus makes every effort to ensure the secure collection and transmission of sensitive user information using industry-accepted data collection and encryption methodologies. The information you provide is used by Lexus and its vendors and dealers to help improve the services we render. It is occasionally provided to Lexus dealers for their marketing use. Lexus will never sell your personally identifiable information to any other company.
