LFA Allocation

Dear Mr. Najri,

Congratulation! After our strong negotiation inside TMC, I am pleased to inform you that your LFA order (out of over 1200 orders worldwide) has been approved. Please accept this as our expression of appreciation and gratitude for you and your staff's daily efforts to support Toyota in your country.

The production timing and initial order timing for your vehicle is mentioned below. Let us inform you of spec./ color information and order procedure separately through your country specialist.

We are sorry, but please understand that there is no room for negotiation in production timing. As you know very well, each LFA will be hand-made and only one unit can be produced everyday to amount 500 units for 2 years (2010 Oct. through 2012 Nov.). We know everyone wants to obtain LFA as soon as possible. Therefore, we made allocation of 500 units almost by lots. Trust me! Also please keep in mind that we cannot accept any cancellation at this moment. Thank you in advance for your understanding.

Production timing	Initial order timing	Delivery timing(tentative)*
April, 2011	June 10 th , 2010	June, 2011

*Depending on spec., delivery timing may change.

Best regards,

Shunichi Nakanishi
