

# GEORGIA VEHICLE EMISSIONS INSPECTION REPORT

The Georgia Emission Test Program is helping to clean up Metro Atlanta's air - and you are doing your part. Motor vehicles are driven over 128 million miles each day in Atlanta and are responsible for half of the pollutants in Metro Atlanta's air. Keeping your vehicle tuned up and in good running condition is the most important thing you can do to keep our air clean and protect the health of all our citizens.

**OVERALL TEST RESULT: FAIL**

**CERTIFICATE NUMBER: JQ019905 RETEST**

Your vehicle failed the inspection. Repairs are needed to reduce emissions. You MUST present a completed repair form and this report to obtain a FREE re-inspection AT THIS STATION ONLY. A 30 day operating permit MAY be available from your local tag office if your tag will expire soon per O.C.G.A. 40-2-20. Review the REPAIR WATCH PUBLIC REPORT at the inspection station or on line at [http://www.cleanairforce.com/docs/REPAIR\\_WATCH\\_PUBLIC\\_REPORT.pdf](http://www.cleanairforce.com/docs/REPAIR_WATCH_PUBLIC_REPORT.pdf).
