Lexus Platinum Program

Lexus Platinum Program is the premier, factory-backed extended vehicle service protection offering the highest level of coverage available for most component groups in your vehicle. Most original equipment installed by the manufacturer or Lexus dealer is covered for mechanical failure. (If a particular item is not listed in the component listing or exclusions listing, check with your Lexus dealer for details.) The Lexus Platinum Program coverage is available at any participating Lexus dealership throughout the U.S.A. and Canada. To purchase a Lexus factory-backed plan, please see your local Lexus dealer.

Vehicle Eligibility

Eligibility for the Lexus VSAs simply requires keeping your vehicle in top shape with routine scheduled maintenance. Lexus dealership technicians have extensive expertise in keeping your vehicle running smoothly.

New Lexus Vehicles

Ineligible vehicles include emergency vehicles, salvage vehicles and those used for hire to public, plowing snow, competitive driving or racing.
