## LEXUS NAVIGATION & DVD OVERRIDE MODULE

Tired of not able to access the navigation functions while you are driving your Lexus? Tired of having the DVD playback feature<sup>1</sup> but your passengers can't seem to enjoy it while the vehicle is in motion? If yes, this override module will put you back in the driver's seat!

This override module is an elegant, effective, and reliable solution for Lexus OEM Navigation and Mark Levinson DVD integration. Installing this module on your vehicle allows you to enjoy the following benefits and advantages:

- Plug-n-Play feature eliminates wire cutting which may potentially void of factory warranty<sup>2</sup>.
- Provides full integration with the factory installed Audio/Navigation system.
- Compatible with other aftermarket equipment designed to enhance the OEM navigation and DVD system<sup>3</sup>.

- Regains access to the navigation functions including inputting addresses, POI, etc.
- Enables Bluetooth features and entering phone numbers and navigating phone book.
- Accesses HDD folders and search your favorite albums or songs.

- Enable DVD playback while the vehicle is in motion.
