

# Don't Get Caught

Without This Valuable & Affordable Protection!

Many people own their vehicles far beyond the terms of the factory warranty. Without the protection benefits offered by the Mechanical Repair Service Contract coverage, vehicle owners may experience a costly mechanical breakdown. And the costs keep rising!

# Platinum Plan

Platinum coverage is our elite plan specifically designed to provide unparalleled coverage especially for vehicles that are well equipped. The Platinum plan provides you with the most comprehensive coverage available and yet it is easy to understand. Platinum is exclusionary coverage which simply means if a component is not listed below under "What Is Not Covered (Exclusions)", then it is covered. It's as simple as that.

The list of exclusions is minimal and consists mostly of maintenance related items. With the ever growing complexity of today's automobiles, you will find Platinum provides comprehensive coverage for your vehicle and protects you from unexpected and expensive auto repair bills. Platinum coverage is the ultimate choice for your peace of mind.

## What Is NOT Covered (Exclusions) \*\*

### Maintenance and Parts Not Covered:

1. The maintenance services and parts described under Maintenance Requirements as shown in the Mechanical Repair Service Contract for the Manufacturer's Maintenance Schedule for your vehicle.

2. Other normal maintenance services and parts including engine tune-up, (includes spark plugs, glow plugs, ignition wires, distributor bag and rotor), carburetor, batteries, filters, lubricants or fluids, air conditioning, refrigerant, engine coolant, all hoses and belts (not specifically listed), wiper blades, brake pads and shoes, brake rotors and drums, suspension alignment, constant velocity boots, tires, wheel covers, wheel rims, wheel bearings, shock absorbers, exhaust system, catalytic converter, friction clutch disc and pressure plate and clutch throw out bearings.

## The Platinum Coverage Plan Includes:

(Sections 1-11 in addition to the following)

- All on board computers, sensors & relays
  - Compact disc player\*
  - Radio assembly, speaker system & antenna\*
  - Anti-theft system\*
  - TV, VCR & DVD systems\*
  - Navigational system\*
  - Air bag assemblies & sensors
  - Sun roof seals, frame & actuating mechanism
  - Convertible top frame & latches
  - Emission components (after federal emission warranty has expired)
  - Heated windshield
  - Steering wheel & integrated controls
  - MacPherson struts
  - Adjustable shock support
  - Rear suspension control arms & bushings
  - Torsion bars, coil springs, & leaf springs
  - Tire pressure sensors
  - All rear view mirrors & remote cable actuating mechanisms
  - Manual and power retracting seat belt assemblies
  - All rear wheel steering system
- ...And much, much more!

\*Factory Installed

3.

glass, glass framework, and fastening adhesives, sealed beam head lamps, light bulbs, lenses, trim, moldings, bright metal upholstery, vinyl and convertible tops, paint, sheet metal, bumpers, alignment of body parts, flexible body parts, door panels, body panels, structural framework, structural welds, hinges, door handles and removable hardtop assemblies.

4.

Aftermarket accessories or equipment, components and systems not installed by the manufacturer, examples including but not limited to anti-theft systems, radar detectors, CB radios, radio/speaker equipment, cruise control, sun roof, solar powered devices, telephones, TV/VCR/DVD and related components and appliances.

\*\*Additional exclusions apply see the Mechanical Repair Service Contract for details.

# Coverage Plan Features

## Uninterrupted Protection For Your Investment.

Each year, more and more sophisticated technology is built into vehicles to improve their safety, performance, comfort and value. These same innovations increase the vehicle's reliability. However, if something does go wrong, the necessary repairs are often complex and costly.

To protect your vehicle investment against these shocks to your finances we offer a selection of Mechanical Repair Service Contract coverage plans that give you uninterrupted coverage on covered parts and labor for up to five years and thousands of miles after the basic factory warranty ends.

**Nationwide Protection.** Coverage is effective anywhere within the United States of America, Alaska, Hawaii and Canada. You are covered even if you're traveling or you move to a different city.

**You're Always Covered.** When a repair can't be made by your selling dealer because you're away from home or it's an emergency, the program administrator can utilize its national corporate credit card to make immediate payment to the repair facility.

**Maximum Benefits.** There is no per-visit limit and no yearly limit on the number of claims that can be made.

**Toll-Free Assistance.** Help is just a free phone call away.

**Affordable & Convenient.** This economical coverage can be included in your monthly loan or lease payment.

**Your Choice of Coverages.** You have a wide choice of protection that you tailor to your needs by choosing the years, miles and coverage plan that best suits your vehicle and driving needs.

**Transferable Coverage.** All coverage plans are fully transferable if the remaining portion of the original manufacturer warranty has not been reduced or voided.

**Low Deductible.** All coverage plans require a low deductible per repair visit.

**Maintenance Requirements.** You are required to maintain your vehicle in accordance with the Mechanical Repair Service Contract provisions. You are required to retain copies of all maintenance receipts during the term of the Mechanical Repair Service Contract.

Exclusions and limitations apply.

See Mechanical Repair Service Contract for details.

assemblies (4X4),  
listed above.

parts including  
lift slip, clutch  
shafts, universal  
components listed

# Silver Plan

THE SILVER COVERAGE PLAN INCLUDES: \*  
(Sections 1-10)

## 5. STEERING

Housing/case and all internal lubricated parts including: rack and pinion equipped valve assembly, sector shaft, rack mounts and cushions, inner rod ends and bellows boots, speed sensor or steering gear equipped pitman shaft and valve assembly, sealing rings, bearings, bushings, pitman arm, center link, tie rods, idler arm, power steering pump and pulley, fluid reservoir, pressure and return hoses, cooler and hard lines, power cylinder assembly, steering main and intermediate shafts, coupling, fasteners for the components listed above. (Does not include "rear wheel steering" components).

## 6. FRONT SUSPENSION

Upper and lower control arms, bump stop cushions, control arm shafts, torsion bar mounts and bushings, upper and lower ball joints including: dust boots, steering knuckle (spindle), wheel bearings and seals, stabilizer shaft, stabilizer linkage including: mounts and bushings, strut rods and bushings, king pins, fasteners for the components listed above.

## 7. BRAKES

Master cylinder, assist booster, wheel cylinders, combination valve, disc brake calipers (and rear caliper actuators), hard lines and fittings, backing plates, springs, clips and retainers, self-adjusters, parking brake linkage and cables, fasteners for the components listed above.

## 8. SEALS AND GASKETS

All seals and gaskets on the assemblies listed in Engine, Transmission, Front Wheel Drive, Rear Wheel Drive, Steering, Front Suspension and Brakes.

## 9. ELECTRICAL

Alternator, voltage regulator, front and rear windshield wiper motors and relay controller, starter motor and drive, starter solenoid, wiring harnesses, manually operated switches (specifically turn signal, headlight, dimmer, and wiper switches), mechanically actuated switches (ignition, brake light, and neutral safety switch), electronic fuel injection system (including all input/sensors and output/control units, except EGR valve, related to the fuel injection system), electronic ignition module, distributor and coil, engine management control unit, knock sensor and oxygen sensor.

## 10. AIR CONDITIONING

Compressor and mounting brackets, clutch and pulley, condenser, evaporator, orifice tube, POA valve, accumulator, temperature control programmer, high/low pressure cutoff switches, high/low pressure hoses, pressure cycling switch, thermostat, drier, temperature control head, o-ring seals, gaskets, fasteners for the components listed above and freon/refrigerant if necessary in conjunction with the repair of the components listed above.

# Gold Plan

THE GOLD COVERAGE PLAN INCLUDES: \*  
(Sections 1-14)

## 11. ADDITIONAL COMPONENTS

- Anti-lock brake system
- Power seat motor(s) and transmission(s)
- Power window motor(s) & power regulator
- Power door lock actuator(s)
- Digital and analog instrument display(s)
- Low fuel sensor; low coolant sensor & low oil sensor
- Electronic rear view mirror motor(s)
- Headlight door motor(s)
- Heated back glass
- Windshield wiper washer pump(s)
- Heater-A/C blower motor, heater core & heater control valve
- Radiator, radiator fan and clutch & radiator motor including fan blade
- Temperature sensor and relay
- Fuel tank and hard lines, fuel tank sensor
- Power sun roof motor
- Convertible top motor
- Constant velocity joints
- Horn assembly

\* Coverage under Power Train, Silver and Gold Coverage Plans is limited to only those parts and components described in this brochure. Parts not listed are not covered.

# Gold Plan

THE GOLD COVERAGE PLAN INCLUDES: \*  
(Sections 1-11)

## 11. ADDITIONAL COMPONENTS

- Anti-lock brake system
- Power seat motor(s) and transmission(s)
- Power window motor(s) & power regulator(s)
- Power door lock actuator(s)
- Digital and analog instrument display(s)
- Low fuel sensor, low coolant sensor & low oil sensor
- Electronic rear view mirror motor(s)
- Headlight door motor(s)
- Heated back glass
- Windshield wiper washer pump(s)
- Heater-A/C blower motor, heater core assembly & heater control valve
- Radiator, radiator fan and clutch & radiator fan motor including fan blade
- Temperature sensor and relay
- Fuel tank and hard lines, fuel tank sending unit
- Power sun roof motor
- Convertible top motor
- Constant velocity joints
- Horn assembly

\* Coverage under Power Train, Silver and Gold Coverage Plans is limited to only those parts and components described in this brochure. Parts not listed are not covered.

# Additional Benefits

We offer these valuable benefits no matter which coverage plan you choose.

**Emergency Roadside Assistance.** \*\* Is available 24-hours a day, 365-days a year. The following emergencies are covered up to \$100 per occurrence on covered repairs:

- Towing Assistance
- Flat Tire Assistance
- Fuel, Oil, Fluid and Water Delivery Service
- Lock-out Assistance
- Battery Assistance

**Rental Reimbursement.** If the vehicle is kept in the repair facility overnight for covered repairs, rental coverage is provided up to \$35 per day for a maximum of 5 days. An additional 5 days is provided when there is a back order for parts.

\*\*Exclusions apply, see Mechanical Repair Service Contract for details.
