

Scratches extend  
about 2ft along  
upper edge of hood

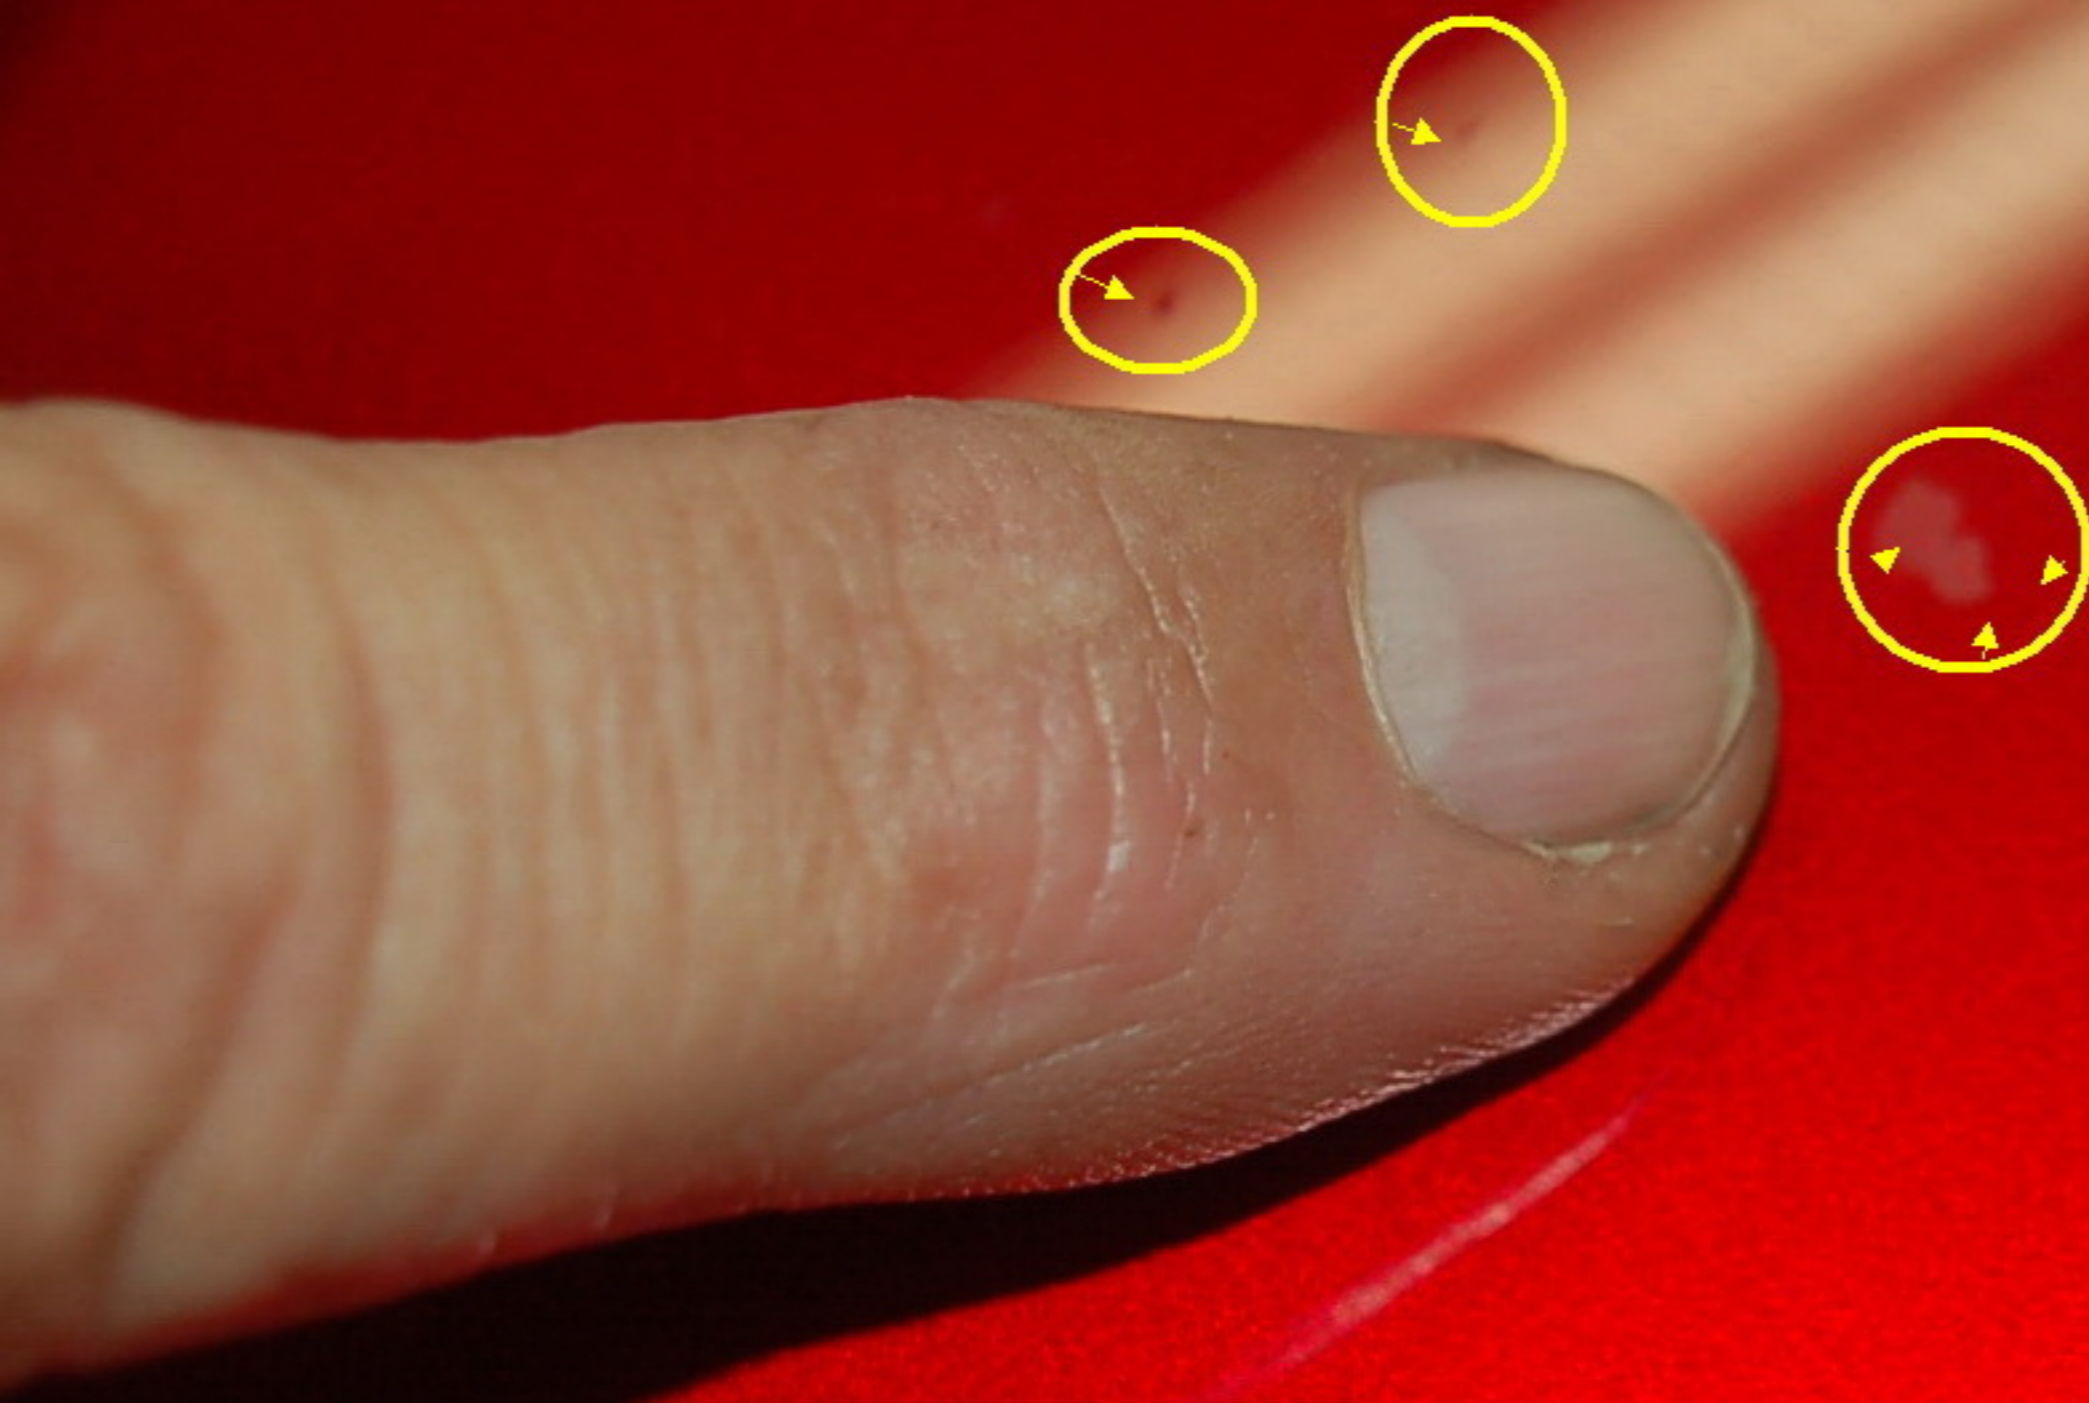

# Zoom Size example

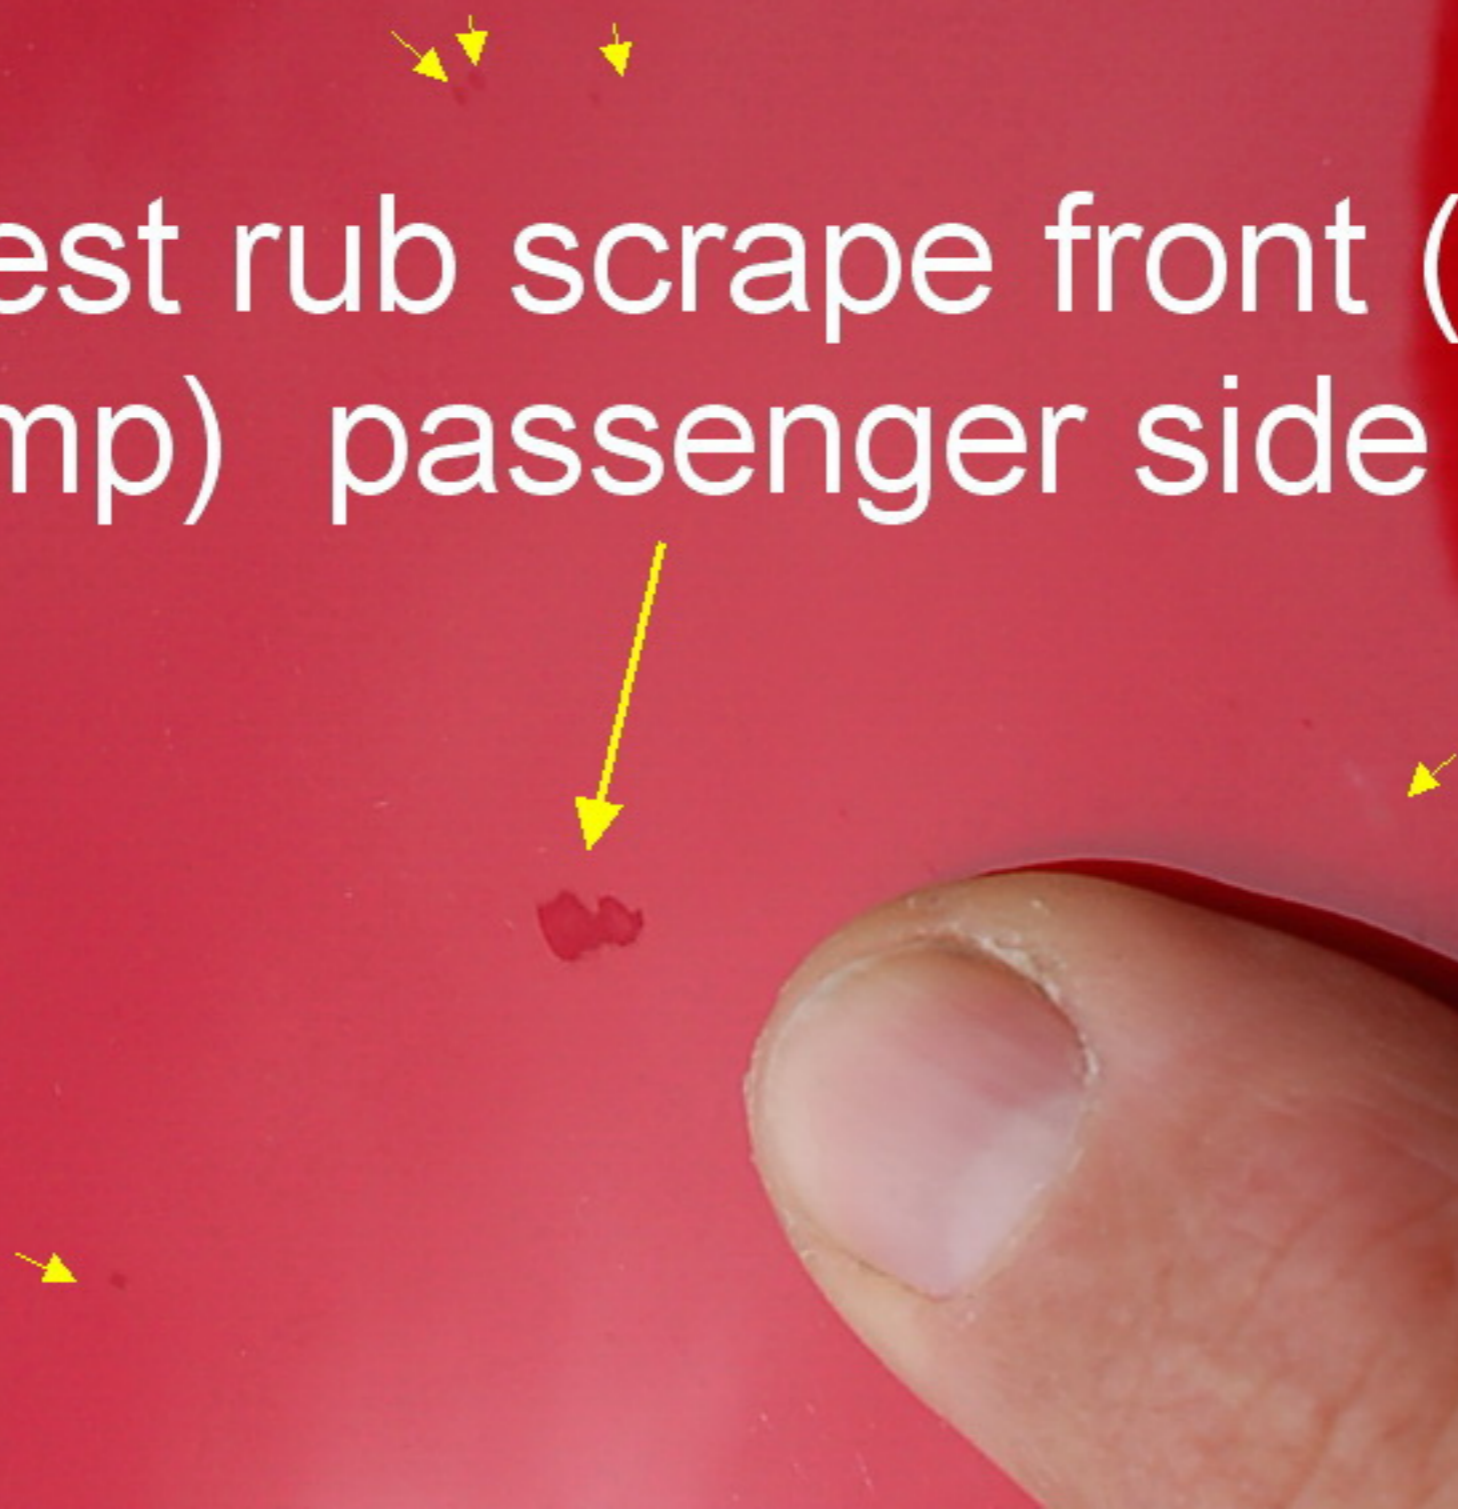

about 23 small rub spots on front have of the hood (towards headlights)

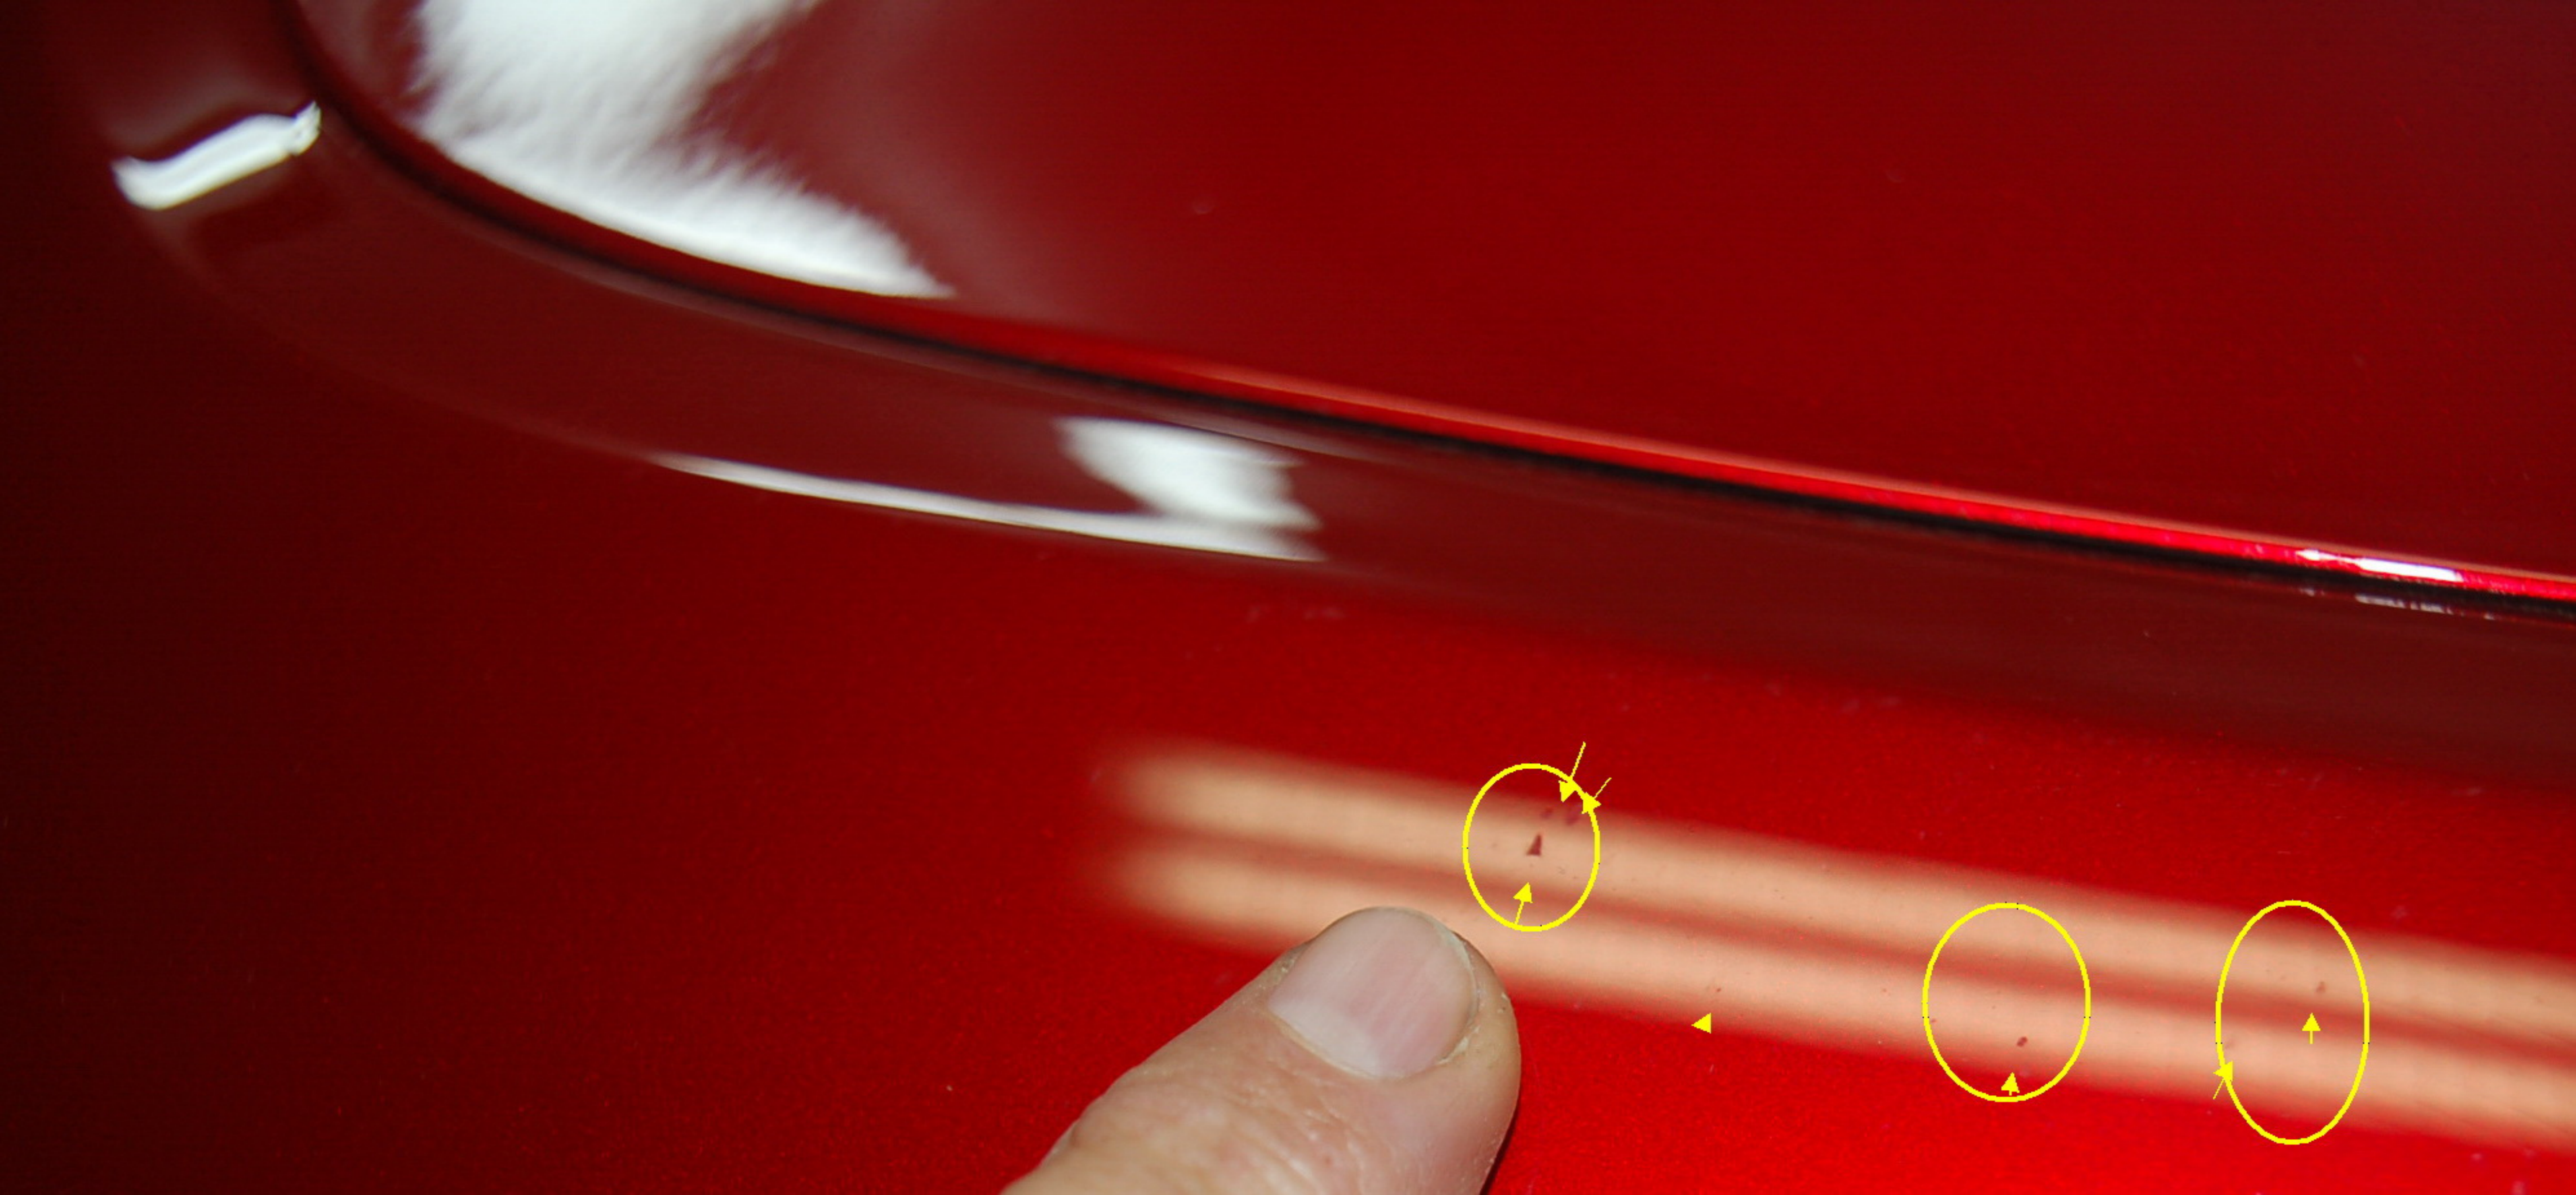

Largest rub scrape front (nearer  
headlamp) passenger side of hood

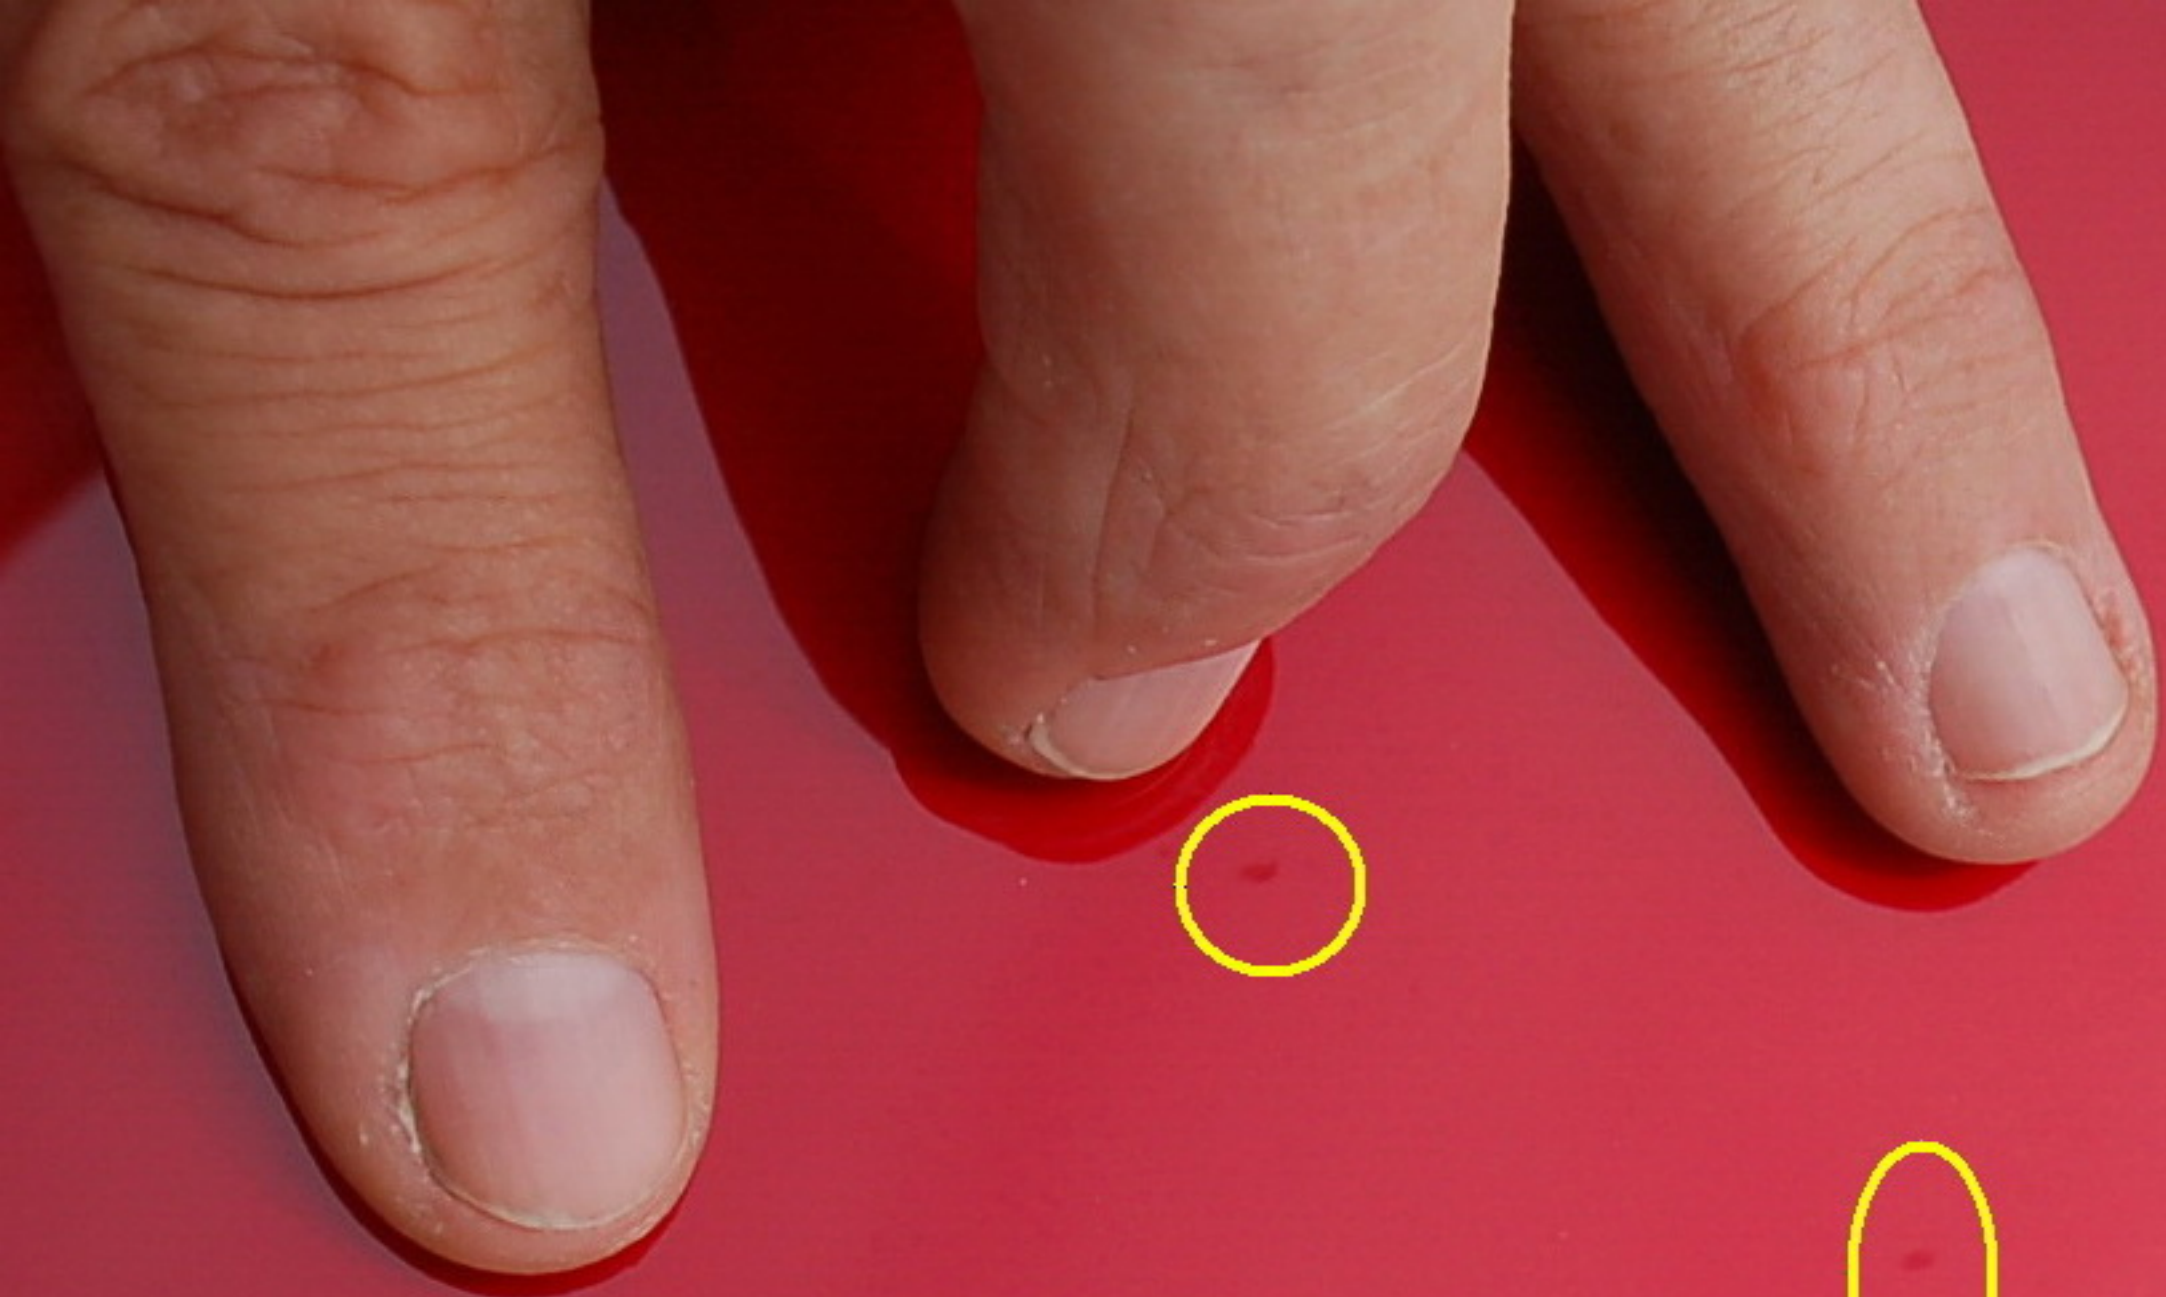

scraps hood corner  
(near drivers door)

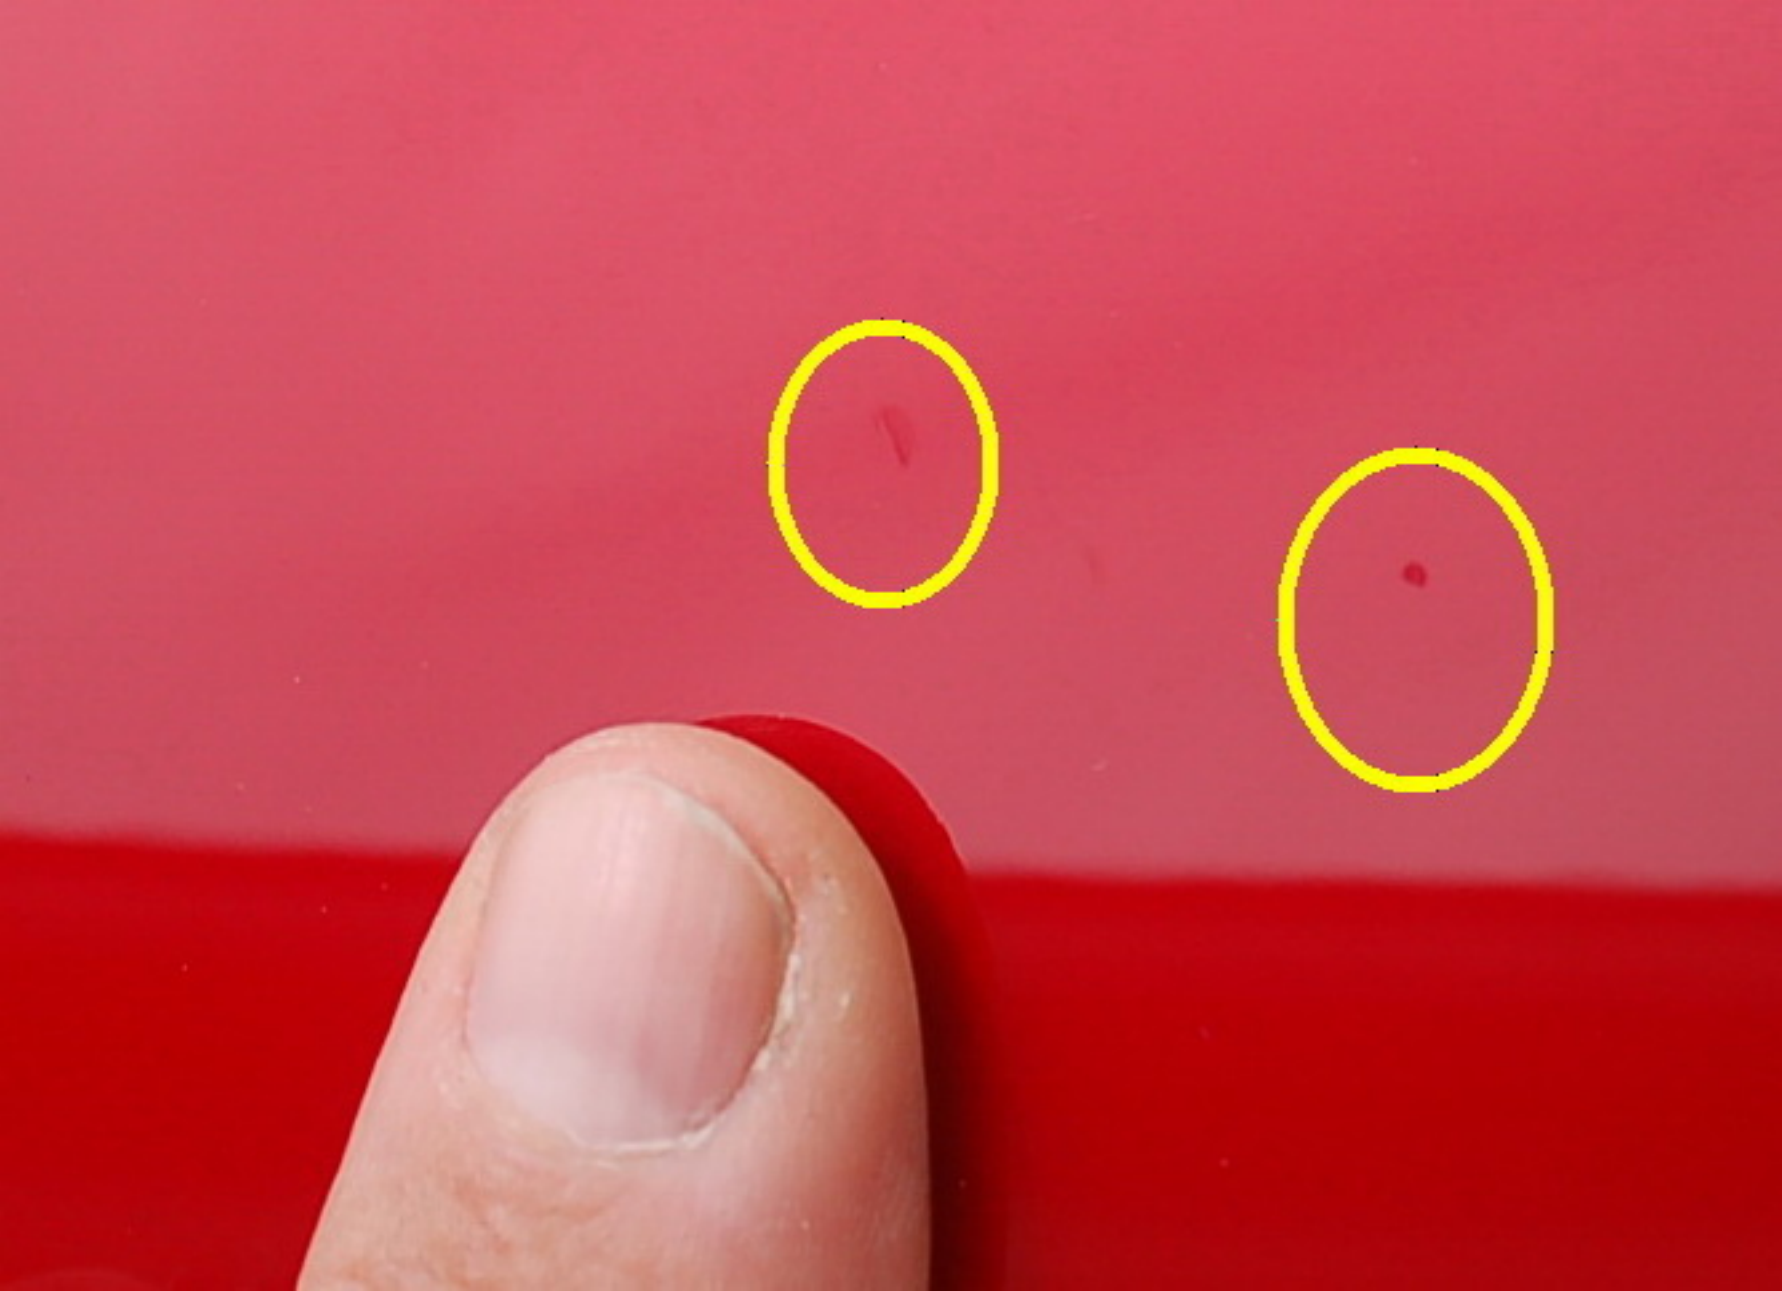

Not a spot but a scrape or  
rub shape

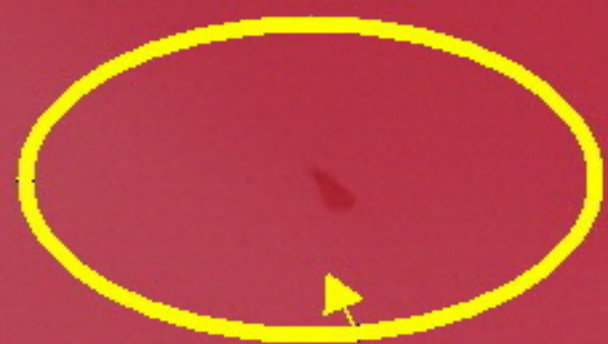

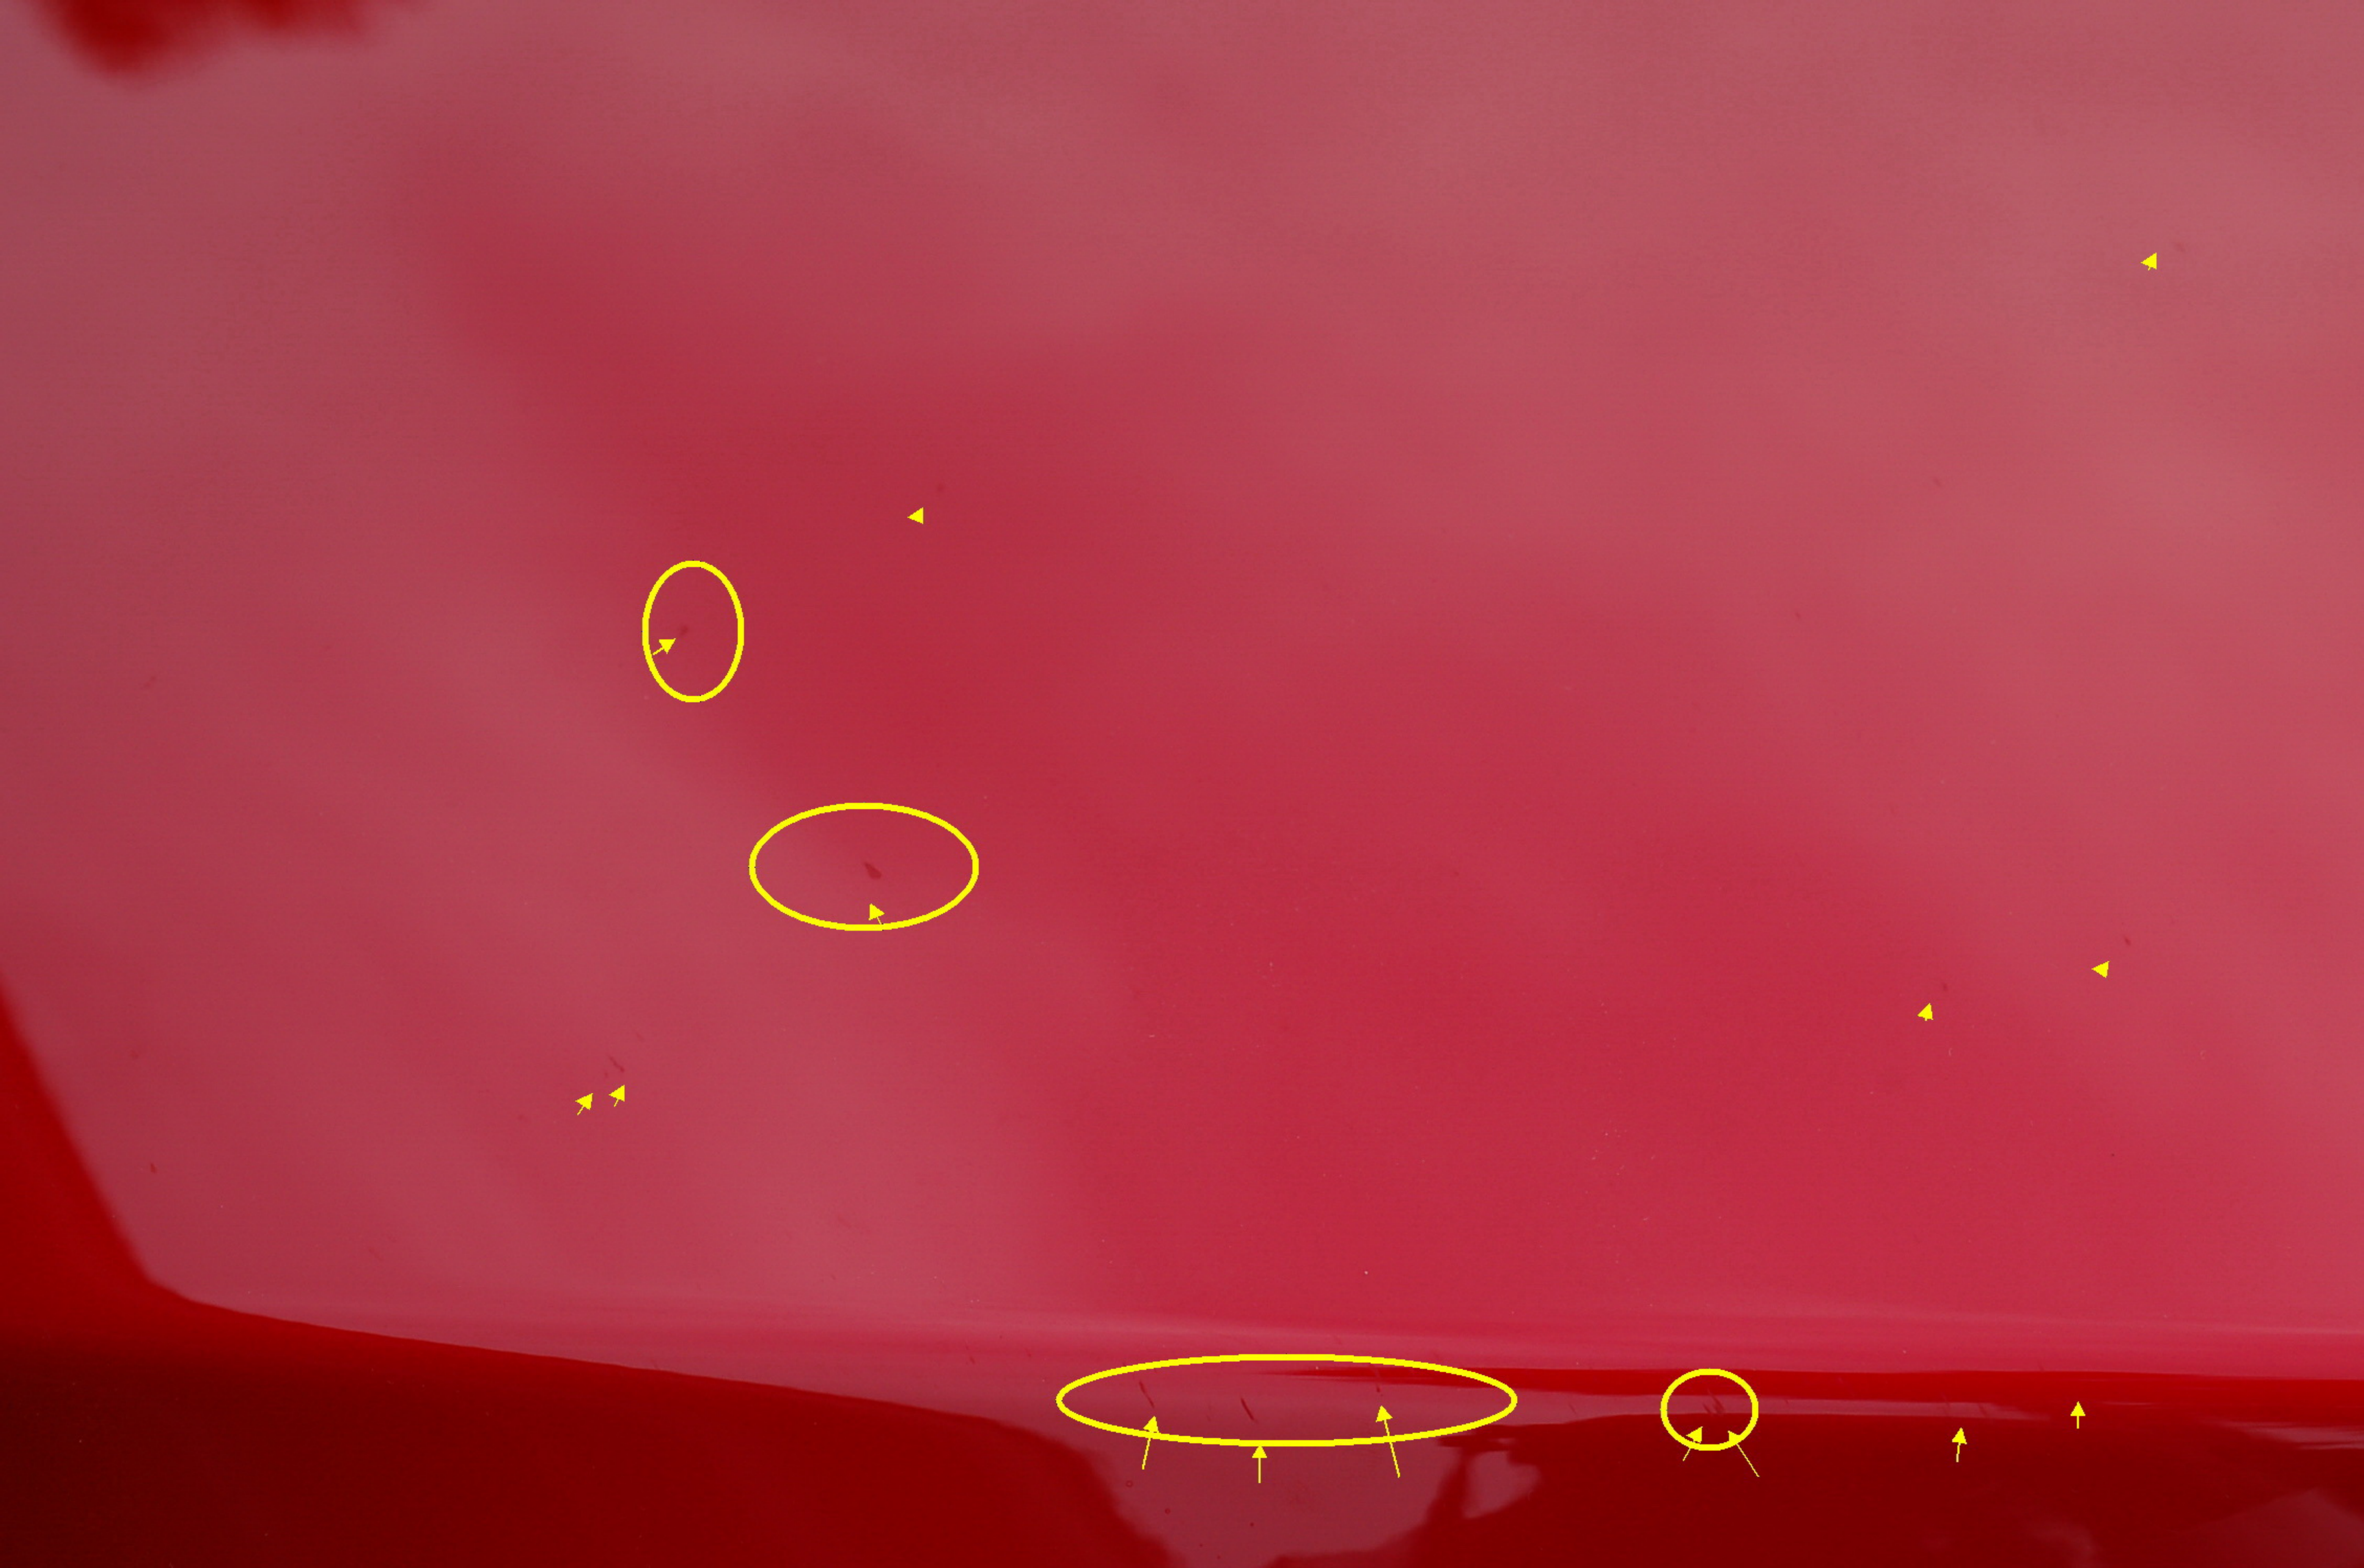

On 4/24 pickupep car but rain water hides the hood damage
