NOTES

ID	Note
54	When open, sunroof may interfere with some accessories.
78	Press firmly against the lower portion of the clip while tightening the rack. This will properly locate the clip against the door frame during installation.
81	All loads extending beyond the length of the roof (except cargo boxes) must be secured to both the front and rear of the vehicle, in addition to the rack.
84	SideWinder (Tandem Bike Mount) will not work due to crossbar spread limitations.
86	HighSpeed and HighRoad will not work on this application due to crossbar spread or other limitations.
99	Up to two bicycles may be carried on this application. Do not exceed max weight of 30 lbs. per bike/Yakima recommended weight limit.
187	Boa and ForkChop bike mounts will not work on this application due to crossbar spread limitations.
